SRC Raffle Fundraiser Incentive

Mr. Franklin made good on his part for one of the SRC Raffle Fundraiser incentives. Students enjoyed duct taping Mr. Franklin to the wall on Thursday, February 17th. It took the students 15 minutes to secure Mr. Franklin to the wall and he remained suspended there for another 15 minutes giving time for all the classes to come check out the event. If you look closely in the picture to the right, you will see that an unnamed staff member made things a little more interesting by taping a feather over Mr. Franklin's nose! Thank you Mr. Franklin for being a good sport!!!

Junior Girls Basketball

Though interrupted by a long hiatus for most of January, our junior girls' basketball season was fun and rewarding for both players and us as coaches. What better way to spend our time than with a spirited group of girls eager to learn the game! Even though the season was shortened due to the pandemic, the girls enjoyed playing teams in our northern cohort several times both in December and February. On February 5, we were able to host a small tournament of five teams-Sturgis, Canora, Hudson Bay, and Kamsack-which saw most players back on the court for the first time since before Christmas. Our Panthers placed second in our Conference after play-offs and will be heading to Sacred Heart High School for the District Tournament on March 4th and 5th.

L/R: Aly Apland, Izzy Payette, Lexi Prouse, Alexis Firman, Addison Danielson, Sarah Masko Asia Kilborn, Olivia Ivanochko, Camryn Nelson, Amber Spray, Saphira Anaka, Maggie Bartel, Fiona Pinaroc.
