Amazing Donation for Preeceville School

L/R: Miss Hanson and Alan Wen

At the beginning of the 2021-2022 school year, the Preeceville SRC decided to commit to begin fundraising for an outdoor space and more playground equipment. All fundraising campaigns this year, and for the foreseeable future, will contribute a portion of their profits towards this capital project. This year, the SRC held its annual raffle, ran the Cowboy's Caviar jerky campaign, and hosted the spring trade show. Each of these events have been successful, and so far, the students and staff have raised \$7000! We are grateful for the community's support to the fundraisers by donating prizes for the raffle, purchasing tickets and jerky, and attending the trade show. The SRC is planning one last fundraiser for this school year – an end of school bbq for Panther families and community members, accompanied by another raffle, where the prize item will be a large carving donated by Sky High Services (Kenton Hull).

This year has been dedicated to creating a buzz around the project, getting the word out and having our families and the community share the project and create some momentum. We are still dreaming up the design, though we would like to have some kind of shelter and some kind of seating for an outdoor classroom area. We also want to put some kind of playground structure in that is aimed at the middle years students. We will welcome design input if there are parents who would like to become involved through our School Community Council. Our next steps involve designing a plan for what the outdoor space will look like, developing a budget, and planning the timeline for the creation of the space.

Preeceville School and the SRC would also like to gratefully acknowledge the first personal donation made towards this project. Alan Wen presented Miss Hanson with a \$10 000 legacy donation made on behalf of Harry Toy. Harry Toy was a member of the Preeceville community for many years. He worked in one of Preeceville's restaurants during his early years. He always enjoyed interacting with people, especially the community's youth, as he found his own sense of youthfulness through the exchanges as he got older. In his later years, Harry lived near the school where he tended to his garden and conversed with numerous students that would pass by. Prior to his passing in 2018, he entrusted his estate to be a donation to fund a project that would benefit the children of the school. Harry's final wishes were to assist children in finding joy while they are learning at school.

SRC Cowboy's CAVIAR FUNDRAISER

TOP SELLERS

Thank you to everyone who supported the school in the Cowboy's Caviar Fundraiser. Almost \$2000.00 was raised with proceeds going towards our outdoor classroom/playground project and general SRC fund which supports student athletics, clubs, cultural and artistic opportunities, field trips, etc.

Each family was asked to sell 5 bags of jerky. There were some families who went above and beyond that. Congratulations to Adley & Sage Ward (L) for selling 49 bags of jerky, Xaviar Carrier (M) and Kendra and Haley Heuser (R) who sold 36 bags of jerky!!

Wildlife Federation Colouring Contest Winners

Mr. Greg Gawrelitzza was in school to present the Saskatchewan Fish and Wildlife Colouring Contest prizes. Congratulations to Jodayne Bertram, Gavin Erickson and Wyatt Scheller who each received a fishing rod for their efforts.

All Proceeds towards the outdoor space/ playground project
