Provincial Cross  
Country Meet

A huge shout out goes to **Isaiah Maier** who placed fifth in the District Cross Country meet held in Kamsack on October 4<sup>th</sup>, which earned him the right to represent Preeceville School and East Central District at Provincial cross country that was held near Humbolt on Saturday, October 16<sup>th</sup>. Isaiah was the top East Central runner in his age group placing 33rd out of 95 runners and ran a personal best time for this season. Congratulations Isaiah!!!

# CWEX Thank You!

A Few Words of Thanks From the Career Work Experience Program (CWEX) by Mr. Bill Dodge.

In the few years I have been running our career work experience program our local business community has continued to allow our young people to work and learn in Preeceville. The support offered by local businesses impresses me every year. With this support twenty six students in the program this year will

grow and develop into better employees for now and the future. In light of the difficulties presented in our uncertain times it is important to recognize our business partners this year. Many thanks to the following businesses:

Thank you as well to the many cooperating staff of Preeceville School who have taken on CWEX students!

# MADD Smartwheels

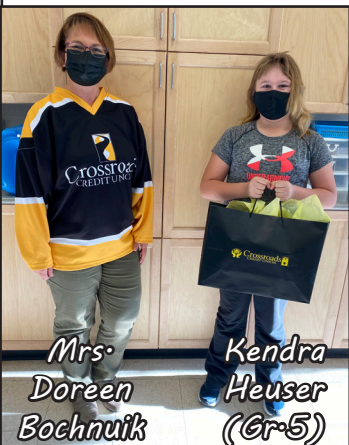

If you passed the school on Thursday, October 7th, you may have noticed the great big bus with a pull-out parked in the teachers' parking lot. Grade 4, 5, and 6 classes respectively were able to climb inside and participate in the interactive MADD Smartwheels presentation about the effects of driving while under the influence of drugs and alcohol.
